ABOUT

DJ SABI (Sabina Abdulaliieva) is a Frankfurt-based DJ with over 10 years of experience, originally from Ukraine, where she built a strong foundation in the club scene before continuing her career in Germany.

She began her DJ journey in 2012, focusing on RnB and Hip-Hop, and by 2015 became a resident DJ at one of Kyiv's most iconic clubs — Forsage. Over seven years, she became an integral part of the club's music culture, performing at major party series such as RnB BooM and Latino Fiesta.

During the COVID-19 pandemic, DJ SABI adapted to the changing scene by co-organizing online events, hosting Instagram Live sessions, and producing digital content that kept audiences connected through music.

In 2022, following the outbreak of war in Ukraine, she relocated to Germany and rebuilt her career from the ground up in Frankfurt. Immersing herself in the local scene, she quickly secured regular performances and developed a strong presence within the city's nightlife.

This period shaped her signature open-format style. Performing for diverse international audiences, she developed a sharp ability to read the crowd and seamlessly blend genres. Her sets combine 80s and 90s hits, commercial music, house, techno, and pop — delivering high-energy, emotionally engaging dancefloor experiences.
